

ANDREW'S OWN
 CERTIFIED ORGANIC
Jasmine Infused Green Tea

INSTRUCTIONS For a refreshing tea, place one sachet of our Organic **Jasmine Infused Green Tea** in a cup or teapot of pure water at approximately 185° F (85° C). This is best achieved by allowing boiling water a moment to cool before introducing the tea sachet. Steep for approximately 3 to 5 minutes and then allow to cool and enjoy. Of course, feel free to vary the amount of water used or modify the brewing time to adjust the strength of the tea. Unlike typical green tea, prolonged brewing will not cause bitterness due to the unique quality of our tea. You can also add ice or refrigerate to make a healthy, delicious and refreshing tea.

EGCG. Polyphenols. Green Tea's Science.

There is no beverage with a longer history of traditional use than Green Tea. There is also no beverage with more science to support its healthy use than Green Tea. Tradition and science partner perfectly in our Organic **Jasmine Infused Green Tea** to provide a delicious new opportunity to embrace the health benefits of Green Tea. Research has shown that special compounds in Green Tea called Polyphenols deliver its benefits. EGCG (Epigallocatechin Gallate) is the most important of those Polyphenols and is the ongoing focus of extensive anti-aging research. Of course, our Organic **Jasmine Infused Green Tea** delivers high levels of Polyphenols and EGCG, while also being perfectly balanced, providing mild levels of caffeine – less than those found in a weak cup of coffee or cup of black tea.

Exclusively From Fujian, China

We use only Single Region Premium Sencha Green Tea from Organic-Certified gardens in the Fujian Province of China. Fujian Green Tea is the finest Green Tea in China and it is known for its rich, yet mild flavor, which makes it a perfect choice for Americans. Sencha Green Tea is traditionally produced in Japan and is well known for its mild flavor. "Sencha" refers to the absence of grinding the tea leaves, which retains its magnificent flavor and aroma. The capital of Fujian is Fuzhou – a city renowned for its Jasmine, making it the home to China's and our highest quality **Jasmine Green Tea**.

Jasmine Infused Green Tea

PREMIUM SINGLE REGION FULL-LEAF GREEN TEA
 TRADITIONAL JASMINE INFUSION • NO BLOSSOMS

Ancient Tranquility in a Cup

My Organic **Jasmine Infused Green Tea** is made in the traditional way of a bygone era. It is mild and delicious – without a hint of bitterness. Each cup reminds us of a simpler time when tea was brewed with great devotion and enjoyed in complete tranquility.

Traditional Jasmine Green Tea

My **Jasmine Green Tea** is made the old-fashioned way and contains no Jasmine blossoms. Instead, when our Green Tea is ready for drying, we introduce freshly-picked autumn Jasmine flowers to the drying room. As the Jasmine blossoms open, warm air is circulated throughout the room causing the natural Jasmine fragrance to infuse our Green Tea. This process is repeated seven times over several days to achieve the perfect balance and flavor. This is the same centuries-old, traditional method by which the world's finest Jasmine Green Tea has been made.

MANUFACTURED BY PROCAPS LABS Henderson, NV 89011

30 INDIVIDUALLY SEALED TEA SACHETS • NET WT. 2.1 OZ. (60g)

Back in 1979, I began making vitamins for my own use when I could find no products that met my high standards for quality, purity and efficacy. These vitamins were never intended to be sold; however, more than 45 years later, the same exceptional vitamins I make for my own personal use are the exact same vitamins I share with you through ProCaps Laboratories.

Today, I have created a very small family of products called "Andrew's Own" for when, just as with vitamins 45-plus years ago, I make a product for my own use that is worthy of sharing with you. I am excited to introduce another unique member to the Andrew's Own family. **Enjoy!**

INGREDIENTS Pure Premium Organic Green Tea from the Fujian province dried traditionally in the presence of the rich fragrance of autumn-harvested Guangxi Jasmine Blossoms.
