SECURE[®]

Complete Meal Replacement

Only 67 Calories | Low Fat | Low Sodium | Lactose-Free
 21 Vitamins & Minerals | Non-GMO Soy Protein | Gluten-Free

40.2 oz (2.5 lb) (1.14 kg) | **60** Servings

ALL SOLAR MFG. | ZERO CARBON FOOTPRINT | MANUFACTURER DIRECT

Andrew Lessman's SECURE COMPLETE MEAL REPLACEMENT is a great tasting chocolate shake that, at only 67 calories, is also the world's lowest calorie meal replacement. It is also a healthy source of protein, fiber and 21 essential vitamins and minerals. Each delicious and satisfying serving delivers 7 grams of heart and bone healthy non-GMO soy protein. For those counting "carbs", SECURE delivers only 5 grams of carbohydrate with 2 grams of healthy fiber and provides between 50% and 500% of the RDI of 10 essential vitamins, plus 10 vital minerals, including 200 milligrams of Calcium. Soy has long been a staple food in the healthy Asian diet and non-GMO soy protein is the highest quality, complete, non-animal protein available today with a long list of scientific research attesting to its myriad health and weight-loss benefits. SECURE's rich flavor and texture also makes it easier to enjoy a reduced caloric intake, while also ensuring an abundant supply of vitamins, minerals, protein, fiber and phytonutrients. SECURE is designed to be the best tasting, reduced calorie meal replacement available, providing a highly concentrated source of the vitamins, minerals, fiber and protein you seek without all of the undesirable calories, sugar, carbohydrate or fat you seek to avoid. Nutrient-rich SECURE is designed to be more than the most impressive meal replacement on paper, but also the most delicious in your mouth as well. Controlling our intake of food can be difficult, but SECURE's great taste and caloric composition make it easy and enjoyable to embrace a weight-loss regimen that actually works.

Ingredients: Non-GMO Soy Protein Isolate, Fructose, Non-dairy Vegetarian Creamer (Trans Fat Free), Maltodextrin (soluble dietary fiber), Cocoa Powder, Calcium Citrate, Natural & Artificial Flavors. **Contains 2 Percent or less of:** Magnesium Oxide, Calcium Ascorbate, Acesulfame Potassium (non-nutritive sweetener), Sucralose (non-nutritive sweetener), d-alpha Tocopheryl Acetate, Potassium Citrate, Niacinamide, Calcium Pantothenate, Cholecalciferol, Zinc Citrate, Folic Acid, Selenium-Methionine Complex, Pyridoxine Hydrochloride, Methylcobalamin (Proprietary Protective Methyl B12 Matrix), Thiamin Hydrochloride, Riboflavin, Chromium Nicotinate, Biotin. **Contains Soy.**

This package is sold by weight not by volume. It contains the full weight indicated on the label. Settling of contents can occur during shipment.

*The % Daily Value (DV) tells you how much a nutrient in a serving of food contributes to a daily diet. 2,000 calories a day is used for general nutrition advice.

Suggested Use For optimum cholesterol reduction, consume one or two **CHOCONUVO Café** squares each meal (with no less than two meals daily). Other than pure enjoyment, there is no need to consume more than five squares daily for cholesterol reduction. **CHOCONUVO Café** should be consumed shortly before, during or after meals. Best results are achieved when combined with a healthy, low cholesterol, high fiber diet. Like any creamy chocolate, **CHOCONUVO** melts when exposed to heat. Should this occur, simply place it in the refrigerator and it will solidify back to its normal state. **CHOCONUVO** is perfect for baking, since its flavor and health benefits are not affected by exposure to heat. **For questions about the use of this product call 800.332.7799.**

NOTE. The coffee granules in **CHOCONUVO Café** only add a minimal amount of caffeine per square (less than 5 mg).

SUPPLEMENT FACTS Serving Size 1 Piece (6 g), Servings: 120, Amount Per Serving: **Calories** 25, **Total Fat** 2 g (3%DV), Saturated Fat 1g (5%DV), Trans Fat 0 g, **Cholesterol** 0 mg (0%DV), **Total Carb.** 3 g (1%DV), Dietary Fiber less than 1g (2%DV), **Total Sugars** 2g, Includes 2g Added Sugars (4%DV), **Natural Plant Sterol Esters** 650 mg (†), **Cocoa Flavanols** (approx.) 40 mg (†)
* Percent Daily Value (%DV) are based on a 2,000 calorie diet. † DV not established.

Other Ingredients Organic 66% Cacao Dark Chocolate (Organic Fair Trade Cacao Beans, Organic Evaporated Cane Syrup, Organic Fair Trade Cocoa Butter, Organic Sunflower Lecithin) and Organic Coffee Granules (Organic Fair Trade Coffee Beans).

Made with machinery that may also process foods containing peanuts, tree nuts and milk.

CHOLESTACARE NATURAL PLANT STEROL ESTERS
AND ORGANIC FAIR TRADE COFFEE BEANS.

120 SIX-GRAM SQUARES
NET WT 25.4 OZ (1.6 LB) (720 G)

Mother Nature’s Dynamic Duo of Heart Health.

CHOCONUVO Café combines the heart-healthy benefits of **dark chocolate** with Mother Nature’s most powerful and clinically proven cholesterol-reducing ingredient (**plant sterols**), along with the rich flavor of organic fair trade coffee. Naturally occurring compounds in dark chocolate called **flavanols** have long been known to promote heart and circulatory health. The unique combination of our natural plant sterols with our flavanol-rich organic mild dark chocolate creates the creamiest and most luxurious “*milk chocolate-like*” dark chocolate you will ever taste with the perfect hint of coffee crunch and coffee flavor. **CHOCONUVO** is also the first chocolate experience that naturally lowers cholesterol.

Chocolate – Respected for Thousands of Years.

Cocoa was revered by ancient South and Central American cultures. In fact, Aztec emperor Montezuma proclaimed cocoa a divine beverage that fights fatigue while Spanish explorer Hernando Cortes praised its benefits for physical endurance. For centuries, cocoa was not merely a source of nourishment, but of resilience, stamina and well-being. The scientific name for the cacao tree translates as God’s Drink. As admired as cocoa was by Native Americans, it is not surprising that it soon became equally prized in the 16th century New World.

A Unique Dark Chocolate Experience.

In recent years, due to its myriad health benefits, interest in dark chocolate has exceeded that of milk chocolate. Dark chocolate provides higher levels of healthy flavanols than milk chocolate and also contains less sugar, fat and calories, along with no added milk. It is this uniquely high level of flavanols that imparts dark chocolate’s rich flavor and health benefits, but also causes its drier texture. **CHOCONUVO Café’s** unique marriage of dark chocolate and coffee granules with cholesterol-lowering plant sterols creates an exceptionally healthy dark chocolate treat that melts in your mouth like milk chocolate. In fact, our mild **CHOCONUVO Café 66** was specifically created for those who enjoy the flavor and health benefits of dark chocolate, but prefer the mild taste and creamy texture of milk chocolate, along with a hint of coffee flavor and texture.

Dark Chocolate and Plant Sterols: A Natural Solution to an Unhealthy Problem.*

The *normal* American diet increases cholesterol levels and the risk of heart disease. As a result, millions of Americans take cholesterol-lowering drugs with their long list of harmful side effects. If you and your physician seek a natural tool to lower cholesterol, then **CHOCONUVO Café** is an ideal solution. We add the clinically proven cholesterol-lowering benefits of plant sterols to our heart-healthy Organic 66% Coffee-Flavored mild dark chocolate. In fact, the 1,300 mg of plant sterols in just two **CHOCONUVO Café** squares is all you need to powerfully impact your cholesterol levels.*

According to the US Food and Drug Administration, consuming at least 650 mg of plant sterol esters twice daily with meals for a daily total intake of at least 1,300 mg as part of a healthy diet low in saturated fat and cholesterol, may reduce the risk of heart disease. Each **CHOCONUVO Café square supplies 650 mg of plant sterol esters.*

“Enjoy the Naturally Sweet Taste of Sucess”

ANDREW LESSMAN

PROCAPS
LABORATORIES

ZERO CALORIES • NON-GMO
Natural Non-Caloric Sweetener
SUCCESS™

**NO ADDED SUGAR,
CARBS OR FLAVORS**

**NO ARTIFICIAL
SWEETENERS**

250 Individual Packets • Net Wt 8.8 oz / 250g

DIRECTIONS. Add to beverages or foods to achieve desired sweetness. **SUCCESS** dissolves instantly providing the sweetness equivalence of approximately 2 teaspoons of sugar per packet. Unlike other sweeteners, **SUCCESS** contains no artificial sweeteners or flavors and no added sugars or carbohydrate. For questions about the use of this product call 800.332.7799.

SUCCESS = Sucré + Success.

Sucré is the French word for “sweet” and if you combine it with the word “success”, you end up with *Sweet Success* or as we now call it, **SUCCESS**. It is well established that reduced sugar intake is essential for good health. In fact, lower sugar intake facilitates weight loss and enhances blood sugar control. Nevertheless, virtually all sugar substitutes strangely “replace” sugar with other sugars or carbohydrate. **SUCCESS** is different. No added sugars or carbohydrate. Just the clean fresh taste of our natural Stevia sweetener, along with the amino acid Glycine to help support healthy blood sugar metabolism.

STEVIA'S SWEET STORY.

Stevia seemed to burst on the scene several years ago, but by then, Stevia had already been consumed traditionally for generations in South America. Stevia is related to the sunflower and, like many plants and natural ingredients, Stevia has been used traditionally for more than 1,500 years. Apparently, it just takes a few centuries for science and industry to embrace Mother Nature's best work. At **ProCaps Laboratories**, our interest in Stevia began decades ago; however, it was exceedingly difficult to translate the mild sweetness of the Stevia leaf into the “sugary” sweetness that modern taste buds demand. Nevertheless, after years of research, we are proud to introduce a sweetener worthy of the Stevia plant. *Enjoy the naturally sweet taste of SUCCESS!*

NO HIDDEN SUGAR.

SUCCESS is our unique non-GMO Stevia leaf sweetener with none of the sugars or carbohydrate of other packeted sweeteners. Our refreshing new approach means there are no hidden sugars in your sugar substitute. Each packet of **SUCCESS** provides the sweetness equivalence of approximately 2 teaspoons of sugar, along with the healthy glycemic (blood sugar) support of the amino acid Glycine. Enjoy the pure sweet taste of **SUCCESS** without artificial sweeteners and flavors or added sugars and carbohydrate.

SUGAR. HIDDEN IN PLAIN SIGHT.

Sugar hides in unexpected places; ketchup, salad dressing, yogurt, peanut butter, bread, cereal, beverages, etc. However, there is one particularly shocking hiding place and that is in a sugar substitute. But how could a sugar “substitute” possibly contain hidden sugar? Isn't it supposed to replace sugar? Yet virtually all of them, both natural and artificial, contain added sugars or carbohydrate. Some contain simple sugars, like dextrose or glucose. While others include alcohol sugars, such as erythritol; and still others contain carbohydrate, like maltodextrin or inulin. It seems strange, even deceptive, to include sugars in a product intended to replace sugar, so **SUCCESS** is different. **SUCCESS** only contains our natural Stevia sweetener, along with the healthy blood sugar support of the amino acid Glycine. Finally, a healthy alternative to sugar and sugar substitutes. *Make our SUCCESS your success!*

"The Reinvention of the Vitamin C Drink"

500 mg Non-Acidic Vitamin C • 200 IU Vitamin D3
 Full B-Complex • Methyl B12 • Methyl Folate & More

+ Cranberry Benefits
with Pomegranate

500 mg Standardized Cranberry Concentrate
 Supports Bladder, Kidney & Urinary Tract Health

Dietary Supplement | **30** Single-Serving Packets | Net Wt 2.96 oz / 84 g

Andrew Lessman's EFFICIENT C + CRANBERRY BENEFITS reinvents the Vitamin C drink. It provides superior forms and amounts of all key nutrients and its delicious, natural flavor comes with NO calories, sugar or carbohydrates. Each serving provides an ideal 500 mg of Non-Acidic Vitamin C for optimum absorption without stomach upset, along with 500 mg of our **Cranberry Benefits** for unparalleled support of the bladder, kidney and urinary tract. We also include our unique blend of all essential B-Complex vitamins to support virtually all body processes, including energy production and fat metabolism. Plus, our B12 is present as natural methylcobalamin, which avoids the use of cyanocobalamin, a synthetic form of B12 that exposes us to cyanide. We also use naturally active 5-MTHF (5-methyltetrahydrofolate), instead of folic acid, since so many of us cannot metabolize ordinary folic acid. Of course, we also provide essential Vitamin D3. The beverage's rich color does not result from artificial colors, but from an anthocyanin-rich extract of Black Currant providing extensive immune and eye health benefits. We also avoid undesirable carbonation and instead you can enjoy the pure, natural flavor of **Efficient C**. In short, **Efficient C + Cranberry Benefits** is a delicious new take on Vitamin C drinks without any of the calories, sugars, carbs, artificial sweeteners or other undesirable additives of typical beverages. Plus, it also provides all the bladder and urinary tract support benefits of our popular **Cranberry Benefits**.
