# FRUIT FULL ANTI-OXIDANT EXTRACTS™

Açaí • Bilberry • Cranberry • Blueberry • Raspberry  
Grape • Elderberry • Cherry • Chokeberry • Blackberry  
Pomegranate • Resveratrol • Apple • Strawberry

Dietary Supplement | **360** Easy-to-Swallow Capsules

**FRUIT FULL ANTI-OXIDANT EXTRACTS** is a unique blend of Mother Nature's healthiest fruits and berries. It is well-established that rich-colored fruits and berries deliver a multitude of powerful protective compounds called polyphenols. Our **Fruit Full Anti-Oxidant Extracts** combines standardized extracts from 14 of the most well-researched fruits and berries to provide a broad spectrum of powerful natural protection. The anthocyanins in our bilberry extract protect the retina and its macular region while also supporting night vision. The fruit acids and anthocyanins in our cranberry extract support the health of the bladder and kidneys while the proanthocyanidins and polyphenols in our grape seed, grape skin and apple extracts offer extensive cardiovascular and circulatory benefits. We add our unique extracts from exotic super-fruits, such as pomegranate and acai berry, to extracts of well-known berries, such as blackberry, elderberry, raspberry, strawberry, chokeberry and blueberry. Each of these remarkably-rich extracts owes their protective properties to the deep, rich colors and pigments of their skins and pulp. We also add resveratrol - the key beneficial molecule in red wine, grapes and grape skin, because of its central role in the Mediterranean diet. All the ingredients in **Fruit Full Anti-Oxidant Extracts** are standardized, so you are assured of the quality and consistency of its contents from the healthiest foods that are so rarely a part of our modern diet.

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

**CONTAINS NO ADDITIVES OR COMMON ALLERGENS**

## Supplement Facts

Serving Size 1 Capsule	Servings Per Container 360	
Amount Per Serving		% DV*
Vitamin C (calcium ascorbate/palmitate)	30 mg	33%
