"The Reinvention of the Vitamin C Drink"

500 mg Non-Acidic Vitamin C • 200 IU Vitamin D3
Full B-Complex • Methyl B12 • Methyl Folate & More

Mixed Berry

**+ Anthocyanin Rich
Bilberry + Black Currant**

Supports Immune System & Eye Health

EFFICIENT C MIXED BERRY reinvents the vitamin C drink. It provides superior forms and amounts of all key nutrients and its delicious, natural flavor comes with NO calories, sugar or carbohydrates. Each serving provides an ideal 500 mg of non-acidic vitamin C for optimum absorption without stomach upset. The beverage's rich color does not result from artificial colors, but from our unique blend of anthocyanin-rich extracts of bilberry and black currant providing extensive immune and eye health benefits. We also include our unique blend of all essential B-complex vitamins to support virtually all body processes, including energy production and fat metabolism. Plus, our B12 is present as natural methylcobalamin, which avoids the use of cyanocobalamin, a synthetic form of B12 that exposes us to cyanide. We also use naturally active 5-MTHF (5-methyltetrahydrofolate), instead of folic acid, since so many of us cannot metabolize ordinary folic acid. Of course, we also provide essential vitamin D3. We also avoid undesirable carbonation and instead you can enjoy the pure, natural flavor of **Efficient C**. In short, **Efficient C Mixed Berry** is a delicious new take on vitamin C drinks without any of the calories, sugars, carbs, artificial sweeteners or other undesirable additives of typical beverages. Plus, it also provides all the immune and eye support benefits of anthocyanin-rich extracts of bilberry and black currant.

CONTAINS NO Milk, soy, yeast, wheat, gluten, sodium, salt, sugar, starch, fat, cholesterol, oil, emulsifier, wax, binder, filler, excipient, lubricant, coating, diluent, flowing agent, common allergens, color, preservative or genetically modified (GMO) ingredients.
