SECURE COMPLETE MEAL REPLACEMENT is a great tasting piña colada shake that, at only 65 calories, is also the world's lowest calorie meal replacement. It is also a healthy source of protein, fiber and 21 essential vitamins and minerals. Each delicious and satisfying serving delivers 7 grams of heart and bone healthy non-GMO soy protein. For those counting "carbs", SECURE delivers only 5 grams of carbohydrate with 2 grams of healthy fiber and provides between 50% and 500% of the RDI of 10 essential vitamins, plus 10 vital minerals, including 200 milligrams of calcium. Soy has long been a staple food in the healthy Asian diet and non-GMO soy protein is the highest quality, complete, non-animal protein available today with a long list of scientific research attesting to its myriad health and weight-loss benefits. SECURE's rich flavor and texture also makes it easier to enjoy a reduced caloric intake, while also ensuring an abundant supply of vitamins, minerals, protein, fiber and phytonutrients. SECURE is designed to be the best tasting, reduced calorie meal replacement available, providing a highly concentrated source of the vitamins, minerals, fiber and protein you seek without all of the undesirable calories, sugar, carbohydrate or fat you seek to avoid. Nutrient-rich SECURE is designed to be more than the most impressive meal replacement on paper, but also the most delicious in your mouth as well. Controlling our intake of food can be difficult, but SECURE's great taste and caloric composition make it easy and enjoyable to embrace a weight-loss regimen that actually works.
