WOMEN'S ELITE 100

Elite 100 is an ultra-high-potency multi-vitamin-mineral-carotenoid formula with the added benefits of botanicals and nutraceuticals. **Elite 100** is uniquely pure and contains only the nutrients you desire without the additives of all other multivitamins. **Elite 100** comes in small, easy-to-swallow capsules guaranteed gentle to even sensitive stomachs and free of any fishy aftertaste. **Elite 100** provides all the benefits you seek without any of the unpleasant problems associated with the use of other multivitamins.

Elite 100 contains 2,000 IU of Vitamin D3, plus high levels of all B-Complex vitamins, including 2,000 mcg of Biotin (the beauty vitamin), 250 mcg of our absorption-protected methylcobalamin (natural vitamin B12), along with 600 mcg of our unique 5-MTHF (methyl folate) in place of ordinary and less active folic acid. We also provide 1,000 mg of non-acidic Vitamin C, 400 IU of natural vitamin E, as well as high levels of the key protective carotenoids typically absent from multivitamins, including Lutein (6,000 mcg), Lycopene (6,000 mcg) and Zeaxanthin (3,000 mcg). In short, **Elite 100** provides the nutrients you require at levels and forms that respect both you and the science.

THE PERFECT PACKET: The Perma-Fresh Purple Packet.
The only Packet worthy of our Exceptional Products.

Our Purple Packet is our most advanced packet ever, offering even more protection than our original Foil Packet. To retain potency, vitamins must be protected from light, moisture and oxygen and the ordinary clear packets used with typical vitamins cannot do so. Our unique Purple Packets are constructed from multiple layers of specialized materials to safeguard the potency of your vitamins. For decades, our Foil Packets set the standard for protection and today, our Perma-Fresh Purple Packet takes that protection to the next level, giving your vitamins the special protection they deserve.

SUGGESTED USE Consume the contents of one packet daily with food - preferably a complete meal. You can consume your daily supply at one time with a single meal or divide it to be taken with food throughout the day. **For questions about the use of this product call 800.332.7799.**

The "100" in **Elite 100** refers to the 100 mg of six vital ingredients: **Coenzyme Q-10, Alpha Lipoic Acid, Resveratrol, EGCG, Pomegranate and Bioflavonoids.**

Coenzyme Q-10 (CoQ10) - 100 mg. CoQ10 is a powerful protective compound required for all energy production. It is required at high concentrations in key organs (heart, brain, liver and kidneys) to ensure optimum function. Despite its importance, CoQ10 levels decrease with age, stress, medications, poor diet and even physical activity making supplementation essential.

Alpha Lipoic Acid (ALA) - 100 mg. Referred to as the *Universal Anti-Oxidant*, because it is both water and fat soluble. This allows ALA to protect even hard-to-reach tissues like the brain. ALA promotes the creation of Glutathione, the body's most powerful protective compound. Like CoQ10, ALA declines with age, stress, medications and more making supplementation important.

Resveratrol - 100 mg. Resveratrol has long been the focus of extensive anti-aging research. It is among the most powerful protective compounds and associated with the extensive benefits of the Mediterranean diet.

Epigallocatechin Gallate (EGCG) - 100 mg. EGCG from Green Tea is a powerful protective compound that combines centuries of traditional use with decades of compelling anti-aging and wellness-based research.

Pomegranate (40% Ellagic Acid and Punicalagins) - 100 mg. Pomegranate has long been referred to as *sacred fruit*. Unlike pomegranate juice, our formula is standardized to deliver its beneficial compounds without sugar and calories.

Citrus Bioflavonoids - 100 mg. Citrus Bioflavonoids, including Hesperidin and Rutin, are powerful protective compounds concentrated in citrus fruit and other healthy plants. They support healthy circulation and enhance the benefits of Vitamin C.
