WELLNESS MUSHROOM COMPLEX

ORGANIC FULL-SPECTRUM

Cordyceps • Reishi • Shiitake • Lion's Mane
Maitake • Chaga • Agaricus • Antrodia
King Trumpet • Tremella • Turkey Tail

WELLNESS MUSHROOM COMPLEX is our most comprehensive blend of eleven mushrooms traditionally consumed by those seeking to support their overall health and well-being. Our **Wellness Mushroom Complex** delivers an organic, full-spectrum blend of both mycelium (below-ground parts) and fruiting bodies (above-ground parts) from **Cordyceps, Reishi, Shiitake, Lion's Mane, Maitake, Chaga, Agaricus, Antrodia, King Trumpet, Tremella** and **Turkey Tail**. Mushrooms are neither plant nor animal, but are classified as fungi. They have been an important part of the human diet and in traditional health practices since prehistoric times, especially in Asia, where mushrooms have long been valued for their culinary, nutritional and health-promoting benefits. Our unique full-spectrum blend of mushrooms was carefully selected based upon their long history of traditional use, as well as modern scientific support, to promote healthy immune, cardiovascular, cognitive and nervous system function, while supporting overall wellness and vitality. Mushrooms are naturally rich in numerous bioactive compounds present in both the mycelium and the fruiting body, and our unique, comprehensive blend, delivers the mushrooms most commonly used to support immunity, vitality, brain and heart health. In short, our **Wellness Mushroom Complex** offers a high-quality, comprehensive mushroom blend of both mycelium and fruiting bodies to provide the immune, brain, and heart health support, as well as the vitality benefits commonly sought after from these fascinating fungi.
