**TYPE 2 secure Complete Meal Replacement Bars** are delicious, nutritious, economical and above all, exceptionally low in sugar. Each 140-calorie bar contains zero grams added sugar and barely 1 gram total sugar while also providing 7 g of protein and 50% to 200% of all key vitamins, including all B-vitamins, plus vitamins C, D and E. **TYPE 2 secure** is designed to support healthy blood sugar while also avoiding blood sugar spikes. It is formulated for those directed to or seeking to reduce sugar intake. **TYPE 2 secure** will be the most delicious meal replacement or protein bar you have ever tasted. It will both satisfy your appetite and the most demanding nutrient requirements. Each bar is also a rich source of prebiotic fiber to support a healthy microbiome, as well as beneficial medium chain triglycerides (MCTs).

Meal replacements have been long established as an extremely reliable weight management tool, but sadly, typical meal replacements are rarely enjoyable and barely healthy. **TYPE 2 secure** reinvents the experience and advances the science of meal replacements making them just as delicious and enjoyable as they are nutritious and healthy. *Enjoy!*
