

MEN'S ELITE 200

Elite 200 is an ultra-high-potency multi-vitamin-mineral-carotenoid formula with the added benefits of botanicals and nutraceuticals. **Elite 200** is uniquely pure and contains only the nutrients you desire without the additives of all other multivitamins. **Elite 200** comes in small, easy-to-swallow capsules guaranteed gentle to even sensitive stomachs. **Elite 200** provides all the benefits you seek without any of the unpleasant problems associated with the use of other multivitamins.

Elite 200 contains 2,000 IU of Vitamin D3, plus high levels of all B-Complex vitamins, including 2,000 mcg of Biotin (the beauty vitamin), 500 mcg of our absorption-protected methylcobalamin (natural vitamin B12), pyridoxal 5'-phosphate form of B6, along with 800 mcg of our unique 5-MTHF (methyl folate) in place of ordinary and less active folic acid. We also provide 1,000 mg of non-acidic Vitamin C, 400 IU of natural vitamin E, as well as high levels of the key protective carotenoids typically absent from multivitamins, including Lutein (9,000 mcg), Lycopene (9,000 mcg) and Zeaxanthin (4,500 mcg). In short, **Elite 200** provides the nutrients you require at levels and forms that respect both you and the science.

The “200” in **Elite 200** refers to the 200 mg of six vital ingredients:
Coenzyme Q-10, Alpha Lipoic Acid, Resveratrol, EGCG, Pomegranate and Citrus Bioflavonoids.

Coenzyme Q-10 (CoQ10) – 200 mg CoQ10 is a powerful protective compound required for all energy production. It is required at high concentrations in key organs (heart, brain, liver and kidneys) to ensure optimum function. Despite its importance, CoQ10 levels decrease with age, stress, medications, poor diet and even physical activity making supplementation essential.

Resveratrol – 200 mg Resveratrol has long been the focus of extensive anti-aging research. It is among the most powerful protective compounds and associated with the extensive benefits of the Mediterranean diet.

Pomegranate (40% Ellagic Acid and Punicalagins) – 200 mg Pomegranate has long been referred to as *sacred fruit*. Unlike pomegranate juice, our formula is standardized to deliver its beneficial compounds without sugar and calories.

Our ELITE 200 formula also delivers high levels of phytonutrients and protective compounds from nine other established natural ingredients, including extracts of **Bilberry, Blueberry, Curcumin, Broccoli, Wasabi, Mustard Seed, Pine Bark, Grape Seed** and **Apple**. Each of these standardized extracts of long-respected natural ingredients has been the subject of extensive scientific inquiry validating their benefits and importance to any comprehensive health and anti-aging regimen.

Our ELITE 200 formula delivers the nutrition you seek without hard-to-swallow and difficult-to-digest tablets. We use only easy-to-swallow capsules containing pure, ultra-fine, additive-free powders to ensure a perfect experience with no stomach upset. Also, unlike typical multi-vitamins that ignore the current science, **Elite 200** provides the most comprehensive list of vitamins, minerals, carotenoids, phytonutrients and nutraceuticals at levels that respect both you and the scientific literature.

The Perma-Fresh Packet.

To retain potency, vitamins must be protected from light, moisture and oxygen. Sadly, ordinary packeting materials do not effectively do so. Our unique Perma-Fresh Packet is constructed from multiple layers of specialized materials to safeguard the potency of your vitamins and provide the protection they, and you, deserve.

For over 40 years, **ProCaps Laboratories** have been producing exceptionally pure and effective products to meet the uncompromising standards of health-conscious individuals and medical professionals. **ProCaps** is one of very few companies that actually make their own products and do so in their own US-based, 100% solar-powered facility. The **ProCaps** facility is among the world's largest private solar installations, possessing zero carbon footprint, which makes **ProCaps** products perfect for both you *and* the planet.
