TYPE 2 secure Complete Meal Replacement Bars are delicious, nutritious, economical and above all, exceptionally low in sugar. They are gluten-free, dairy-free, vegan and non-GMO. Each 190-calorie bar contains zero grams added sugar and barely 1 gram total sugar, along with 10 g of protein and 50% to 200% of the RDI of all B-vitamins, plus 50% of the RDI of vitamins C, D and E. **secure** is designed to be the most delicious and nutritious meal replacement or protein bar you have ever tasted. In addition to high levels of protein, vitamins and minerals, **TYPE 2 secure** is rich in prebiotic fiber to support a healthy microbiome. **TYPE 2 secure** is specifically formulated to support healthy blood sugar and avoid blood sugar spikes for those seeking to reduce sugar intake. **TYPE 2 secure** is not just delicious and satisfying, but also formulated to meet the most demanding nutritional requirements.

Meal replacements have long been scientifically established as perhaps the most straightforward and reliable weight management tool, but sadly, typical meal replacements are neither enjoyable nor healthy. **secure** reinvents the experience and advances the science of meal replacements making them as delicious and enjoyable as they are nutritious and healthy. *Enjoy!*
